ATHLETIC VISION

Louisiana Tech University will be a conference leader in performance by investing strategically in student-athletes' development, providing superior facilities and enhancing program support to achieve a local and national image of success and dominance.

ATHLETIC MISSION STATEMENT

Embody excellence in everything we do.

Develop student-athletes to maximize their potential in mind, body and spirit.

Bring pride, admiration, and loyalty to the University family, community and state.

Win with integrity.

AMBER McCRAY

HEAD COACH

@CoachA_McCray

THE McCRAY FILE

HOMETOWN: Longview, Texas
EDUCATION: Bachelor's degree (Florida, '07)
Master's degree (Florida, '08)

COACHING EXPERIENCE

2019-PRESENT: Head Coach, Louisiana Tech
2013-2019: Head Coach, Panola College
2011-2013: Asst. Coach, Panola College

PLAYING EXPERIENCE

2003-07: University of Florida

Amber McCray enters her fourth year as the head coach of the Lady Techsters after leading Louisiana Tech to its best season since 2003 in her first season at the helm back in 2019.

In 2020-21, McCray brought in a recruiting class of nine newcomers, including the team's leader in kills per set (Elizabeth Sandoval) and blocks per set (Morgan Smith). In the classroom, McCray's focus on academic excellence resulted in the Lady Techster program setting a program record with 18 C-USA Commissioner's Honor Roll recipients.

The Techsters recorded a record of 13-15 in 2019, including a blistering 11-4 start to the season. The hot start included a wins at two of Tech's three early season tournaments and a stretch in which the Lady Techsters reeled off eight wins in nine matches.

Statistically, Tech improved in several categories in 2019. The Lady Techsters posted more kills, assists, aces, and blocks per set than in 2018 while returning many of the same student-athletes. The 2019 team also committed 99 fewer errors than the prior year.

The former Florida All-American was named the 10th head coach in Louisiana Tech volleyball history on December 12, 2018.

McCray comes to Ruston after building Panola College into a nationally ranked program, leading the Fillies to 169 wins and two National Junior College Athletic Association national tournament appearances (2016, 2017). She was one win away from the national tournament in three other seasons at Panola.

"After bringing Amber to our campus, we feel strongly she fits the championship culture we strive for at Louisiana Tech," said former Director of Athletics Tommy McClelland. "She is a proven winner everywhere she has been from her playing days at Florida to the last eight years at Panola. Her philosophy runs parallel to ours when it comes to building champions on the court, in the classroom and in life. We are very excited to have her as part of the LA Tech Family."

McCray spent the past eight seasons at Panola – six as the head coach – earning conference Coach of the Year honors in 2014 and 2016 and Region XIV District H Coach of the Year honors in 2016 and Region XIV District I Coach of the Year honors in 2017. She guided the Fillies to a seventh place finish in the national tournament in 2016 and a ninth place finish in 2017.

The 2016 team won 35 matches and was ranked No. 1 in the country in the NJCAA Division I polls over the final three weeks of the season. It marked her second 30-plus win season at Panola as the 2015 team also accomplished the feat – the first for the program in more than a decade.

"I am honored and beyond blessed for the opportunity to lead the Lady Techster volleyball program," said McCray. "In just a short time on campus, I was convinced Louisiana Tech is a special place and can provide the family atmosphere and support system I've been so grateful for and accustomed to for the past eight years at Panola College.

"I want to thank Tommy McClelland, Mary Kay Hungate and everyone involved in the hiring process for trusting my coaching principles and style to replicate success at the four-year level, and I'm excited to see what new heights we can all achieve together."

During her time at Panola, McCray coached 28 1st or 2nd team Region XIV all-conference performers, 19 Region XIV academic all-conference honorees and two NJCAA All-Americans. Panola volleyball had a 100 percent graduation rate for volleyball student-athletes enrolled at the school through all four semesters during McCray's tenure.

McCray spent two years as an assistant coach at Panola (2011-2013) prior to being promoted to the head coaching position in 2013. She has also spent the past eight years coaching club volleyball teams in east Texas.

"We are excited for Coach McCray and the opportunity to go to Louisiana Tech University," said Panola College Director of Athletics Don Clinton. "As a Louisiana Tech alumni, I am a little partial to Tech and proud the university has made the decision to have her as their coach. Amber was a huge part of building our program and maintaining it as a national power on the court and off. She will always be part of the Panola College family, and we wish her and Tech the best of luck."

As a student-athlete at Florida (2003-07), McCray was a two-year captain and a member of five straight Southeastern Conference championship teams (including a medical redshirt season). She was a member of the team that advanced to the national championship game in 2003. She was named second team All-American in 2006 and two-time all-Southeastern Conference in 2006 and 2007.

"The theory that the best teammates make for the best coaches is proven daily in Amber," said Florida head coach Mary Wise, whose 931 career wins ranks No. 1 among women in NCAA volleyball history. "Her talents will be recognized not only on the court, but in the relationships she builds with her players. What a great hire by Louisiana Tech."

McCray also excelled off the court, earning ESPN The Magazine 2nd Team Academic All-American honors in 2007, ESPN The Magazine Academic All-District honors from 2005-2007, and SEC Academic Honor Roll from 2004-2007. McCray was nominated to represent the entire UF athletic program at the NCAA Leadership Convention in 2006, and her efforts in the Gainesville community earned her a spot on the SEC Community Service Team in 2007.

As a senior, McCray also received the Tracy Caulkins Award, presented to UF's top graduating female student-athlete who possesses the traits of academic achievement, athletic achievement, leadership and involvement in the community.

McCray was a decorated three-sport athlete for Pine Tree (Texas) High School, becoming the state of Texas' first two-time recipient of the Gatorade High School Volleyball Player of the Year Award in 2001 and 2002.

JANE HAYS

ASSISTANT COACH

@COACH_JHAYS

Jane Hays was promoted to associate head coach prior to the start of her fourth year at Louisiana Tech in 2022. She served the previous three years as assistant coach and recruiting coordinator.

Hays' coaching responsibilities for the Lady Techsters includes leading technical training for all serve receiving/passing, defensive concepts and team strategy. She is also the primary recruiter that is responsible for coordinating visits, corresponding with prospective student-athletes and being a primary identifier and evaluator of prospects.

LA Tech saw significant improvements from 2020 to 2021 in all three statistical categories that Hays oversees -- increased digs per set (14.2 to 16.3), increased aces per set (0.7 to 1.3) and decreased team reception errors per set (1.7 to 1.3). Last season, LA Tech finished second in Conference USA in digs per set behind only East division champion Rice thanks in large part to Second Team All-Conference USA selection McKenzie Johnson.

The then-freshman libero, who was recruited and coached by Hays, led all of C-USA in digs per set and broke both the LA Tech single-game record for total digs and the single-season record for digs per set.

After helping the Lady Techsters record their best season since 2003 in 2019. She was officially named the recruiting coordinator for the Techsters in 2020 after leading the staff's effort to reel in a highly-touted class of recruits in 2019.

During the split 2020-21 season, Hays guided Tech's defense to averaging 2.2 more digs per set compared to the 2019 season. A total of five Lady Techsters averaged more than two digs per set. Hays helped coach Meghan Dunnigan (2.69) and Samantha Hicks (2.42) to more than two digs per set in their first seasons.

In 2019, LA Tech posted a 13-15 record (opened the season winning 11 of its first 15 matches). The Lady Techsters earned two championships -- Sam Houston State Invitational and the LA Tech Invitational -- during non-conference play. Under Hays' tutelage, the Lady Techsters hit the century mark in digs on two occasions for the first time in five years. Tech also reduced their reception errors by 24 in 2019.

Statistically, Tech improved in several categories in 2019. The Lady Techsters posted more kills, assists, aces, and blocks per set than in 2018 while returning many of the same student-athletes. The 2019 team also committed 97 fewer errors than the prior year.

Hays came to Ruston after spending the previous six seasons as Amber McCray's assistant at Panola College. While at Panola, she worked primarily with the team's outside hitters and defense, while helping guide the program to two National Junior College Athletic Association (NJCAA) national tournament appearances.

Prior to her time at Panola, Hays spent two successful seasons as an assistant at her alma mater of East Texas Baptist University where she aided former Panola volleyball standout and current UT Tyler Head Coach Lyndsay Simpson Mashe in bringing in the program's top recruiting class in 2012 and again in 2013 by adding players from some of the premiere club programs in Texas.

Hays was also an accomplished student-athlete at ETBU from 2006-2009, and a four-time All-American Southwest Conference East Division selection. The Tigers won or shared two ASC East Division titles during her career and advanced to the postseason every year during that span with Hays serving as a valuable team leader both on and off the court.

Hays' awards were not limited to just her athletic ability; she was a three-time All-ASC Academic selection, Distinguished Scholar Athlete selection, and a nominee for the prestigious 2010 NCAA Woman of the Year award.

Serving as a three-year captain, Hays is the only player in ETBU volleyball history to rank in the top 10 all-time in kills, digs and aces. She ranks fourth all-time in career kills and digs with 1,432 kills and 1,227 digs, and third all-time in aces with 141.

The Hereford, Texas native was a three-sport star in high school, competing in volleyball, basketball and softball. An all-state selection in both volleyball and softball, Hays ranks among the top all-time athletes to come from Hereford High School.

Hays has coached several club teams including Young Guns Volleyball Club which was nationally ranked during her time with the team, and now most recently for East Texas Juniors for the past seven years.

Hays graduated Cum Laude from ETBU in 2010 with a B.S.E. in Secondary Education with an emphasis in history.

ALEX HOLT

ASSISTANT COACH

@ALEXANHOLT

Holt, who played at the University of Pacific, comes from Cisco College where she served as an assistant coach for two seasons.

"Alex has the ability to immediately impact our program in a variety of ways both in the technical setting on the court and in the background of what makes Louisiana Tech Volleyball run," said McCray. "Throughout the whole hiring process, we were thoroughly impressed by her maturity, attention to detail, and overall knowledge of the game that will serve her greatly in this role.

"She also consistently showed that her passion and understanding of the 'big picture' aspects of coaching directly aligns with the vision we have set for this program. We are thrilled to have her join our family."

During her time at Cisco, Holt assisted in technical and physical training, identified prospective student-athletes, managed statistical operations and designed social media content across all platforms for the volleyball program.

"I am very excited to be here in Ruston and a member of the LA Tech family," said Holt. "Thank you to Coach McCray and Coach Hays for the opportunity to join this amazing staff and be part of their vision for the Lady Techster volleyball program. I am 100% bought in."

Holt trained middle blockers, right sides and team blocking system at Cisco. In 2021, two student-athletes received all conference honors as the team produced an 18 win season.

"Alex was a great asset to the Cisco College Volleyball program," said Cisco head coach Jon Stenman. "Alex's passion for the game and desire to learn made her invaluable in the improvement our program saw the last two years. I wish her the best, and I know she will continue to do great things for the Lady Techster Volleyball program."

Prior to coaching at Cisco College, Holt played at Pacific from 2014-2019, competing on both the indoor and beach volleyball teams. Holt was named the team captain in her final season with the Tigers.

In her senior season, she played in all 29 matches and finished her career with 399 kills and 167 total blocks.

The Sacramento, California native graduated with a bachelor's degree in social sciences and a minor in teaching professions in 2018. She received her master's degree in the fall of 2019 in educational and organizational leadership from Pacific.

DR. LES GUICE

UNIVERSITY PRESIDENT

@LKGuice

Dr. Les Guice and Louisiana Tech University share a rich history together that spans five decades. From an architecture student stepping on the campus for the first time in 1972 to his appointment as Louisiana Tech's 14th President in 2013, Guice has shown an unwavering commitment to leadership and service to his alma mater.

One of Guice's first achievements at Tech was earning a Bachelor of Arts in Architecture in 1976. While he was an undergraduate, Guice found a passion for Engineering and went on to earn a master's degree in Civil Engineering from Tech in 1978. He earned his PhD in Civil Engineering at Texas A&M University in 1986 and decided to pursue teaching as his career.

Guice's dedication to his students and the University would lead to his appointment as Dean of the College of Engineering and Science (COES) in 1999. As Dean, Guice supported innovations in the college, including a transformative redesign of the first-year curriculum for engineering and science students.

With a focus on the future and a progressive vision for economic development, Guice led the planning and development of the Louisiana Tech Enterprise Campus – a research park connecting the University and downtown Ruston. The Enterprise Campus' first building, Tech Pointe, was completed in 2012 and is now home for several companies and organizations. Construction on Tech Pointe II began this spring.

As president of Tech, Guice is the chief executive officer of north Louisiana's only Carnegie Foundation national research university. The University is also one of only two public universities from Louisiana recognized in the top tier of national universities by U.S. News and World Report.

Throughout his career, Guice has contributed to and played a central role in creating the culture and vision for the future of Tech. His focus on campus-wide engagement, building and growing relationships, and leadership in forging a path toward advancement of the University's academic and athletic programs, research and commercialization activities, and economic development efforts means that Louisiana Tech University's best days are yet to come.

Guice and his wife Kathy have three children and four grandchildren.

DR. ERIC A. WOOD

DIRECTOR OF ATHLETICS/VICE PRESIDENT

@EWOOD_AD

Culture. Class. Competitive Excellence.

Those are the pillars that Dr. Eric A. Wood has embraced and vocalized since stepping foot on the Louisiana Tech University campus.

Wood was formally introduced as Vice President and Director of Athletics by University President Dr. Les Guice during a press conference held in the Chris Richardson Suite of the Joe Aillet Stadium Press Box on Oct. 23, 2020.

The 23-year veteran of collegiate athletics came to Ruston following a five-year stint at UCF, becoming the first Director of Athletics in LA Tech history to also serve as a Vice President while also becoming the first African-American Vice President and the first minority Director of Athletics in the University's history.

Wood's energy, enthusiasm and electric personality have hit home with the LA Tech student-athletes, coaches, support staff and fan base during his two years as AD.

And since coming on board during one of the most trying times in collegiate athletics history, his leadership has helped LA Tech gain momentum – both on and off the playing surfaces.

Athletically, that momentum can be seen in the number of championships won.

- Baseball – 2021 C-USA West Division champions and 2022 C-USA Tournament champions
- Softball – 2022 C-USA Regular Season champions
- Women's Basketball – 2022 C-USA West Division champions
- Men's Basketball – 2021 C-USA West Division champions

LA Tech is the only Division I school in the country to have won a conference regular season title in baseball, softball, men's basketball and women's basketball within the last two years. The Bulldog and Lady Techster Basketball teams also made it to the Conference USA Championship game in 2022, marking just the eighth time in C-USA history a school has had both programs advance to the finals.

Other team highlights during Wood's tenure include the seventh straight bowl appearance by Bulldog Football, back-to-back NCAA Regional appearances by the Bowling program, Bulldog Basketball's run to the 2021 NIT Final Four, individual NCAA postseason qualifiers in Track and Field and Golf, and back-to-back NCAA Regional appearances by Bulldog Baseball (including the first ever host of an NCAA Regional in 2021).

LA Tech also had plenty of champions in the classroom with numerous academic records broken.

- 230 student-athletes named to the C-USA Commissioner's Honor Roll (2021-22)
- 75 student-athletes receiving the C-USA Commissioner's Academic Medal (2021-22)
- 11 programs tallying a multi-year APR rate of at least 970 (2020-21)
- 8 programs recording a perfect 1,000 single-year APR score (2020-21)

Other impressive academic accomplishments over the last two years have included 24 conference All-Academic Team honorees, 12 CoSIDA Academic All-District selections (record-high nine in 2020-21) and five CoSIDA Academic All-American selections (record-high three in 2020-21).

On the fundraising front this past year, the University totaled $5.6M in dollars received to athletics, the highest since FY17, with the exception of disaster relief efforts. The Louisiana Tech Athletics Club (LTAC) exceeded $1.53 million in commitments in FY22, marking the first time surpassing $1.5 million since the 2018-19 academic year. In addition, the average LTAC gift increased by 20 percent from FY21 to FY22. And for a second straight year, giving among full-time athletic department employees reached 100 percent.

Tech has also seen several seven-figure commitment made by individual donors on capital projects that support the Bulldog and Lady Techster student-athletes. The University opened brand new facilities in J.C. Love Field at Pat Patterson Park, Dr. Billy Bundrick Softball Field, Robert Mack Caruthers Soccer Field, Origin Bank Soccer and Softball Complex, and additional support facilities that totaled in excess of $40 million in new athletics facility construction.

The University has also begun raising funds for the construction of the Sarah and A.L. Williams Champions Plaza as well as the new Student-Athlete Success Center and pair of new Daktronics video scoreboards as part of the $15 million Joe Aillet Stadium north end zone project.

All of these momentum-building moments have led to exponential growth in the brand as well through social media and the official athletics website LATechSports.com. In 2021-22, there was a 17.9 percent increase in followers across all social media platforms with half of the accounts generating at least a 20 percent growth in followers. The newly redesigned website saw its most web traffic ever with record highs in page views (3.06 million), sessions (1.34 million) and users (780,000+).

All of these accomplishments are signs of the three pillars – Culture, Class and Competitive Excellence.

The Bronx, New York, native has also served in a variety of roles outside of LA Tech, having been appointed to the Division I NCAA Football Oversight Committee and to the Division I Council as well as being named Chair of the Football Success Committee.

Prior to making Ruston his new home, Wood spent more than two decades serving within athletics administration. In addition to his time at UCF, he has held full-time positions at the University of Arkansas, the Atlantic Coast Conference, Wake Forest University and the University of New Haven. He also served as a postgraduate intern at the NCAA national office and a graduate assistant at Clemson University early in his career.

At every level of his professional career, Wood has made an impact. His qualifications and accomplishments include:

- Sacred Heart University Board of Trustees
- Head coach hires in football (Sonny Cumbie), men's basketball (Talvin Hester), softball (2022 C-USA Coach of the Year Josh Taylor), and track and field (Brian Johnson)2020-21 University of Arkansas Outstanding Alumni of the Year-College of Health, Human Performance & Recreation
- 2019 "Next Up" honoree presented by Adidas and College AD for senior level administrators
- Athletics Representative on the UCF Presidents Advisory Staff Council
- 2016 Top 40 Under 40 in the Arkansas Business Journal
- 2009 graduate of the NCAA's Leadership Institute
- NCAA, NLI, Division I-A Athletics Director's Association (Now Lead1), USTA committee service
- 1994-1998 NCAA football student-athlete
- 1998 Medal of Merit recipient as student-athlete of the Year

During his tenure at UCF, Wood played a prominent role in the strategic planning process and day-to-day administration of the University's 16-sport intercollegiate athletics program, assisting with key initiatives that impact overall competitive excellence in the classroom and on the respective

playing fields as a member of his executive leadership team.

He represented the department on the President's Advisory Staff Council and served as sport administrator for the football and men's basketball programs. Wood had administrative oversight of the Varsity Knights alumni letter-winners organization, UCF Convocation Corporation management and revenue generation, Knights Sports Performance, the sport administrators group, the sports science and sports nutrition departments, compliance, academics and all internal units impacting the competitive success of UCF's 450 student-athletes.

Wood also assisted with the hiring of UCF football coach Josh Heupel and men's basketball coach Johnny Dawkins. The Knights football program has won 22 games over the past two seasons, including an undefeated regular season in 2018. The Knights men's basketball program earned a trip to the 2019 NCAA Tournament, the program's first since 2005.

During his time in Fayetteville, Wood served as the Associate Athletics Director, Deputy Title IX Coordinator/Diversity Coordinator (2011-16) as well as the Assistant Athletics Director for Student-Athlete Development (2009-11).

Wood was the Director of Student-Athlete Programs and Compliance at the ACC (2005-09) following a stint as the Assistant Director for Compliance at Wake Forest (2004-05). He began his full-time collegiate athletic administration career as the Assistant AD for Compliance and Student Development at the University of New Haven (2003-04).

He is a 1998 graduate of Sacred Heart University, earning his degree in Psychology. He was a three-year starter at cornerback for the Pioneer football team with one outdoor season as a member of the track and field team.

Wood earned a Medal of Merit, the athletic department's highest honor, as the Student-Athlete of the Year his senior year at Sacred Heart. He completed his master's degree in counseling and guidance services at Clemson University in May 2000 and his Doctorate of Education in Sports Management at the University of Arkansas in 2016.

Wood and his wife Celia have four children – Eliana, Nia, Alyssa and Elijah.
